REDEPLOY ILLINOIS FOCUSED PROGRAM

2023

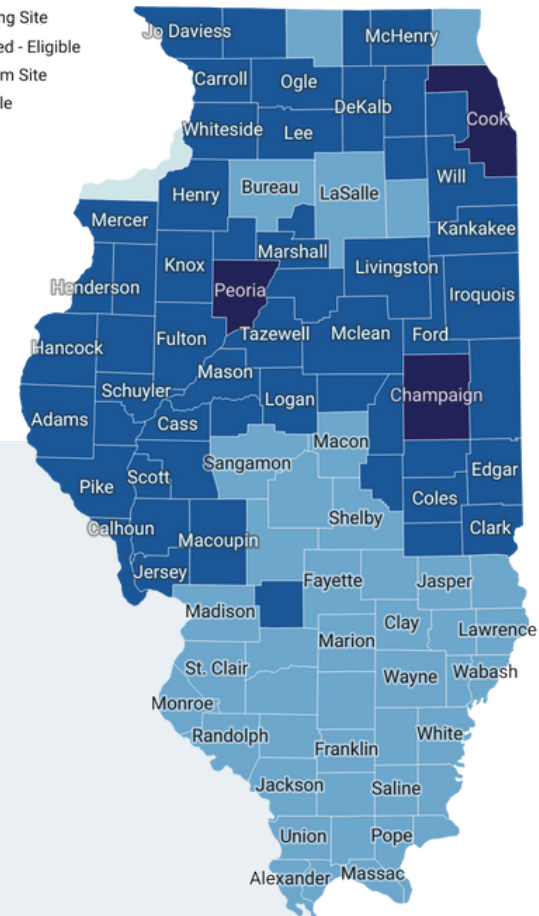

REDEPLOY & FOCUSED

Sponsored by the Illinois Department of Human Services (IDHS), **Redeploy Illinois** decreases youth incarceration in the Illinois Department of Juvenile Justice (IDJJ) by providing community-based services to youth who are at risk of commitment to IDJJ.

The Redeploy Illinois Focused Program builds on the success of this program by providing funding for counties that do not meet criteria for a full Redeploy program to **provide community-based services for individual youth** in order to avoid commitment to IDJJ.
